

# RELIANCE WORLDWIDE

## Newsletter

JUNE 2018

### Reliance Worldwide Catering Co. Health & Hygiene Campaign

We conducted a Health & Hygiene campaign highlighting on Cleaning & Sanitation and Good Manufacturing Practices (GMP) between May 6<sup>th</sup> and May 11<sup>th</sup>

#### Campaign aim & objectives

The aim of the Campaign was to work with the KDC to increase compliance

The objectives of the program were to:

- ensure drilling crew receive minimum awareness on Health & Hygiene – Cleaning & Sanitation And GMP

- ensure Reliance Catering crew receive acceptable level of awareness on Health & Hygiene – Cleaning & Sanitation And GMP

- assist Reliance Worldwide Management to correctly apply the Award & Certification Program and its associated phasing provisions

- ensure that Catering Crew have correct record keeping practices

# ASSE Technical Meet

Reliance Management Congratulates GW904, and extends sincere thanks for All Catering Crew for their Hard work and support

Reliance Worldwide Management wishes all Our June Birthday Team Members a Very Happy Birthday. May the Almighty Shower you with Good Health and Prosperity

Most people can tolerate a three to four percent decrease in total body water without difficulty or adverse health effects. A five to eight percent decrease can cause fatigue and dizziness. Loss of over ten percent of total body water can cause physical and mental deterioration, accompanied by severe thirst. Death occurs at a loss of between fifteen and twenty-five percent of the body water

DRINK LOTS OF WATER EVEN IF YOU AREN'T THIRSTY
